

BAY AREA STUDENT COMMITTEE  
FOR THE ABOLITION OF THE  
HOUSE COMMITTEE ON UN-AMERICAN ACTIVITIES

On September 11, 1960, a group of those arrested on May 13, during the hearings of the House Committee on Un-American Activities in San Francisco, met with others interested in the drive to abolish the House Committee and formed themselves into a permanent organization, "Bay Area Student Committee for the Abolition of the House Committee on Un-American Activities." The following are the purposes of this organization:

1. To work for the abolition of H.C.U.A.
2. To work for the preservation of civil liberties for all and to fight any abridgement of the freedoms guaranteed all citizens under the United States Constitution.
3. To provide information on the history, purpose and methods of the H.C.U.A.
4. To present the trutha about what happened in San Francisco on May 12-14, 1960.
5. To help contribute financial aid to the defense of Robert Meisenbach.

The Executive Committee of our organization is composed of Burton White, Irving Hall, Clark Smith, Chris Murray, Larry Chase, Dick Albert, Patty Hall, Leslie Schoenfeld and Joan Bowman. We presently have over one hundred members from campuses throughout the Bay Area. Our dues are two dollars a year and our membership is open to anyone of student age who will subscribe to the purposes of our organization and who will assume the obligations of membership.

Here are some of the activities we plan for the future:

1. Folk concerts and other benefits for the Meisenbach Fund.
2. Showings and discussions of "Operation Abolition."
3. Civil Liberties Forum.
4. Publication of a Newsletter which will provide information on H.C.U.A.
5. Research and publication in areas of H.C.U.A., Civil Liberties, and "Operation Abolition."

We invite you to join our organization, to participate with us in our activities, and to help us in our fight to abolish the House Committee on Un-American Activities.
